

**ACEQUIA DE SANTA CRUZ
SD-02418
Sorted by File Number/Subfile**

The following guide lists the water right file number assigned to each subfile on the Acequia de Santa Cruz. This is the owner and acreage provided by the Legal Services Division (adjudicated Order or hydrographic survey report). Changes of ownership, splits, etc. will need to be researched under the suffix shown with the possible addition of an A, B, C, etc. For example, if file no. SD-02418-2 is split between four new owners, it will become SD-02418-2, SD-02418-2A, SD-02418-2B, and SD-02418-2C.

State of New Mexico,
State Engineer Office.

Attention: Mr. Peter Thomas White

Gentlemen:

The above signatures of two of the Santa Cruz Ditch Association members of the association acknowledge receipt of your summons delivered on August 28, 1974 requesting letter of acceptance of your order.

We therefore agree with the descriptions of water rights under our acequa as set forth in the proposed Agreement of Water Rights and the Hydrographic survey maps.

Very truly yours,

J.E. Lipton

CONSENT ORDER

THE COURT, having considered the agreement between the parties, finds that it has jurisdiction of the parties and the subject matter herein and that the defendant has a right to divert and use public waters from the Santa Cruz River Stream System as stated hereinabove.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the defendant's water rights are as set forth above, and that the defendant and its privies are enjoined from any diversion or use of the public surface and underground waters of the Santa Cruz River Stream System except in strict accordance with the rights set forth above or other orders of this Court and except for domestic or stock purposes.

H. Charles Payne
